

Usher Syndrome in Louisiana

4th Symposium & Community Event

Two Day Event:

Friday, September 15, 12 to 6 p.m.

Cecil J. Picard Center

Educational Sessions & Workshops

FREE Sessions and Lunch

At the Friday event, you will learn more about Usher syndrome, the management of vision loss associated with Usher syndrome and a Q&A with the experts. In addition, workshops offered throughout the day will allow patients an opportunity to learn about and participate in current research studies. We will wrap up the day with a viewing and discussion of the documentary *Quiet Cajuns*.

Saturday, September 16, 7 a.m. to 12 noon

River Ranch-Town Square, Lafayette

USH ONE SEE 5K and 1 Mile Fun Run

Join hundreds of members of the Lafayette and Usher syndrome community for this annual Fun Run. You can walk, run or just be there for the 8th Annual USH ONE SEE 5K and 1 Mile Fun Run. This event supports Usher syndrome research and the USH1C community. In addition to the race, you will have the opportunity to talk with the foundations supporting those with Usher syndrome.

Those with Usher syndrome will receive FREE registration to the Fun Run. Registration is only required for the race, not to attend the event.

REGISTER TODAY

To register for Friday, Saturday or both days, contact Susie at strotochaud@usher2020.org or call 877-926-0859.

Join the Usher syndrome community for a 2-day special event to celebrate Usher Syndrome Awareness Day 2023.
